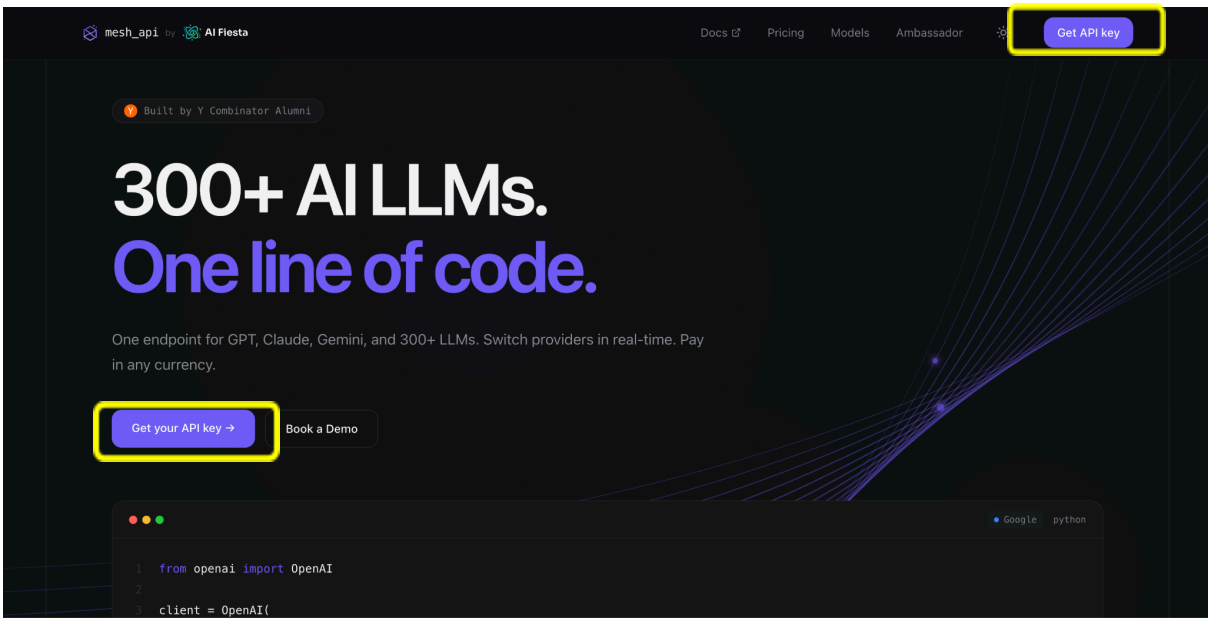
Mesh API offer for Krish's students

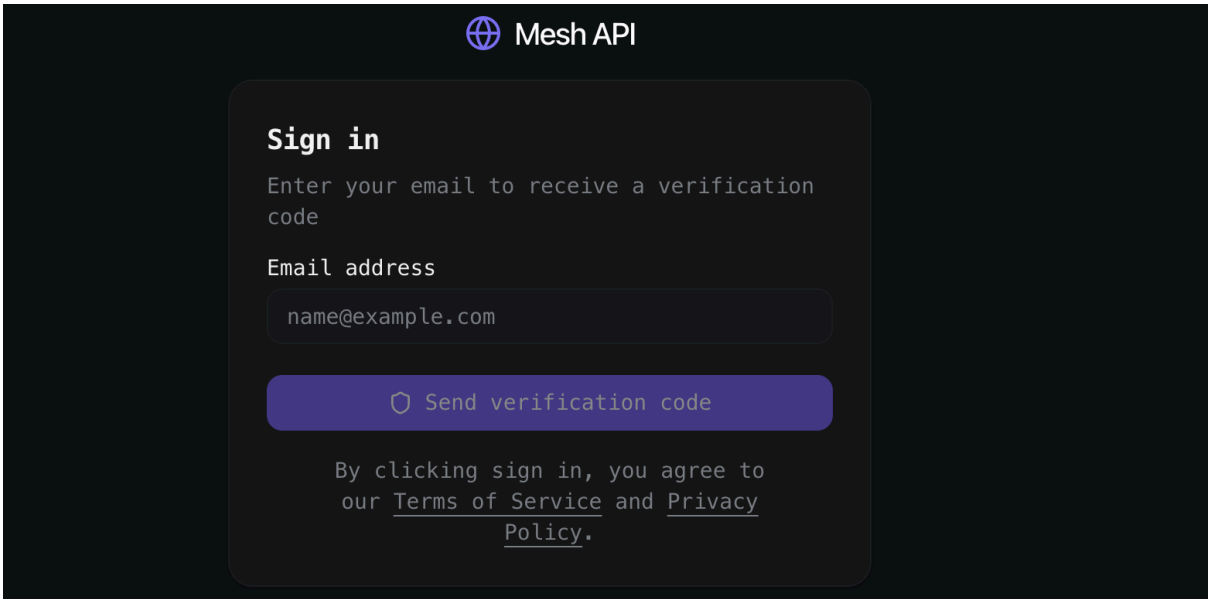
Mesh API is a unified LLM gateway that gives you access to 300+ models from OpenAI, Anthropic, Google, Meta, Mistral, DeepSeek, Qwen, and others through a single API key. It's OpenAI-compatible, so you change one line and keep everything else.

1. Visit https://meshapi.ai/ and click **Get API Key**

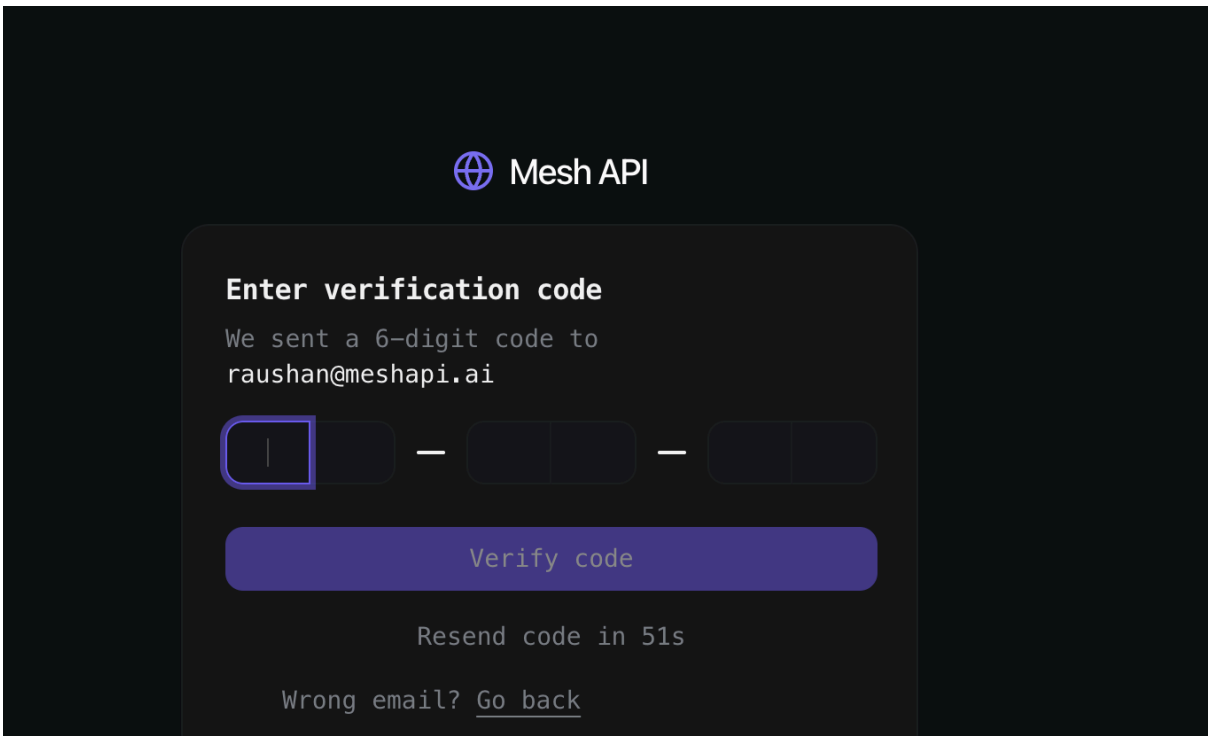


2. You'll be redirected to app.meshapi.ai

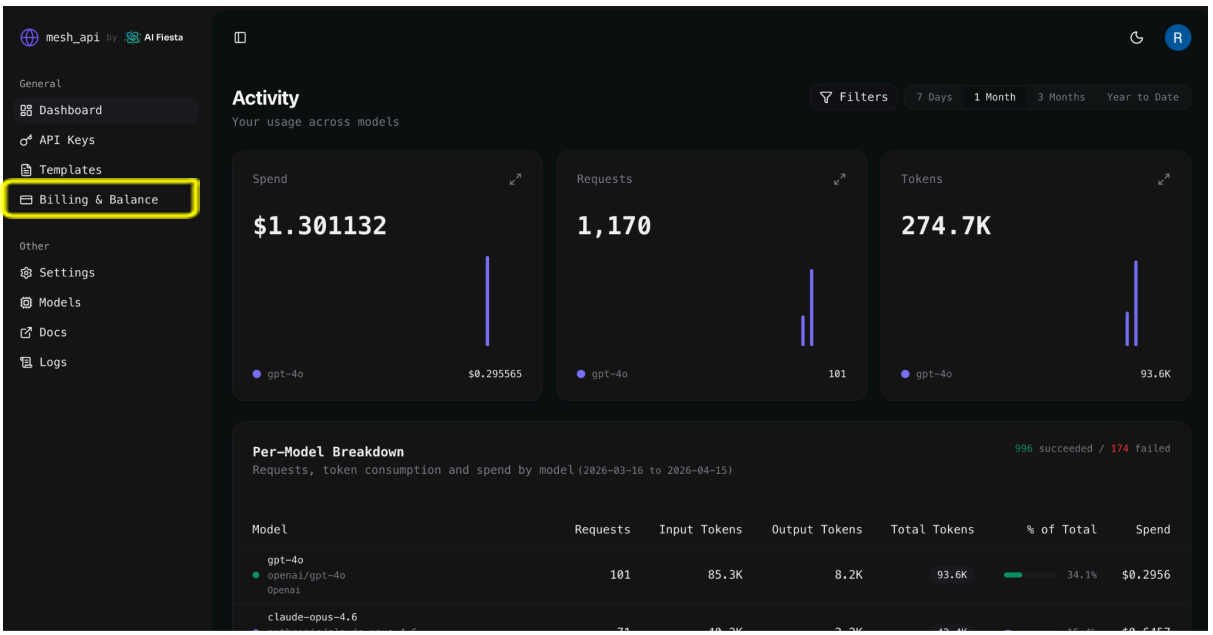
Sign up with your email or log in if you already have an account.



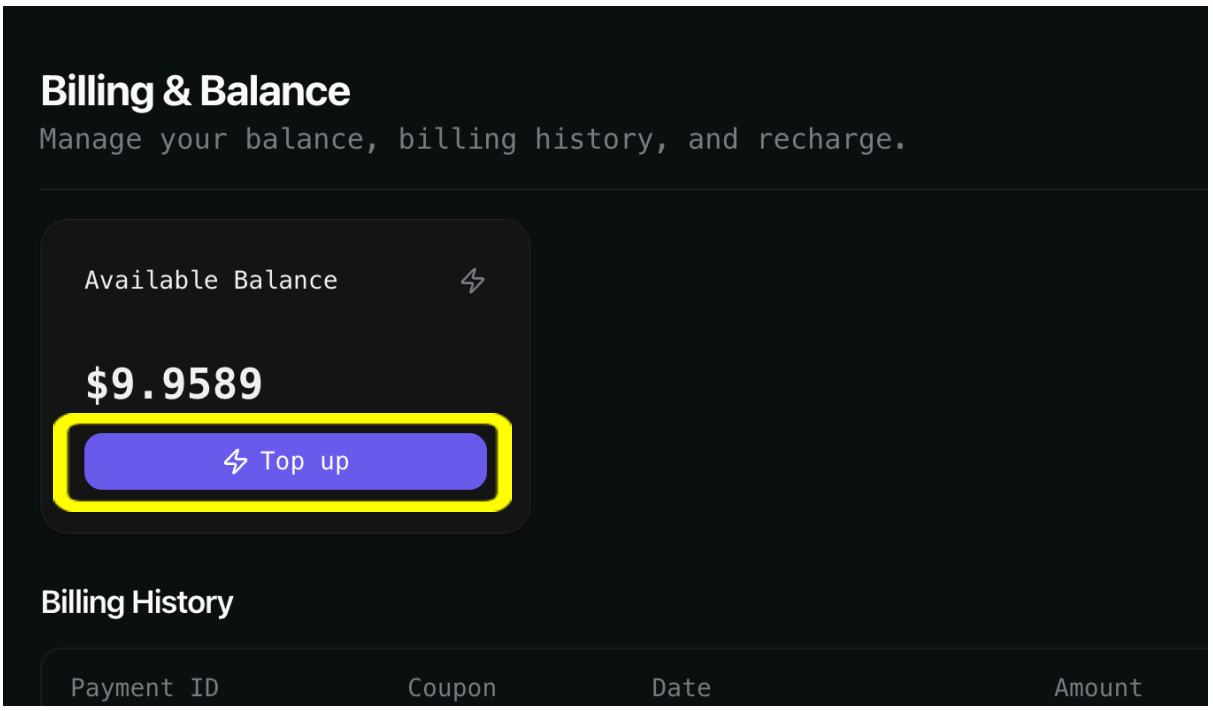
3. Check your inbox for a verification code and enter it to continue.



4. Once you're signed in, you'll land on the Mesh API dashboard.

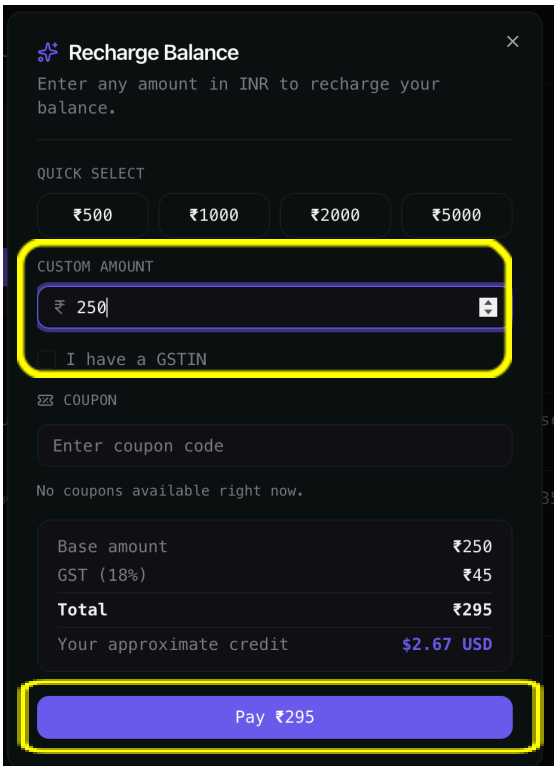


5. From the left sidebar, open Billing & Balance to top up your account.

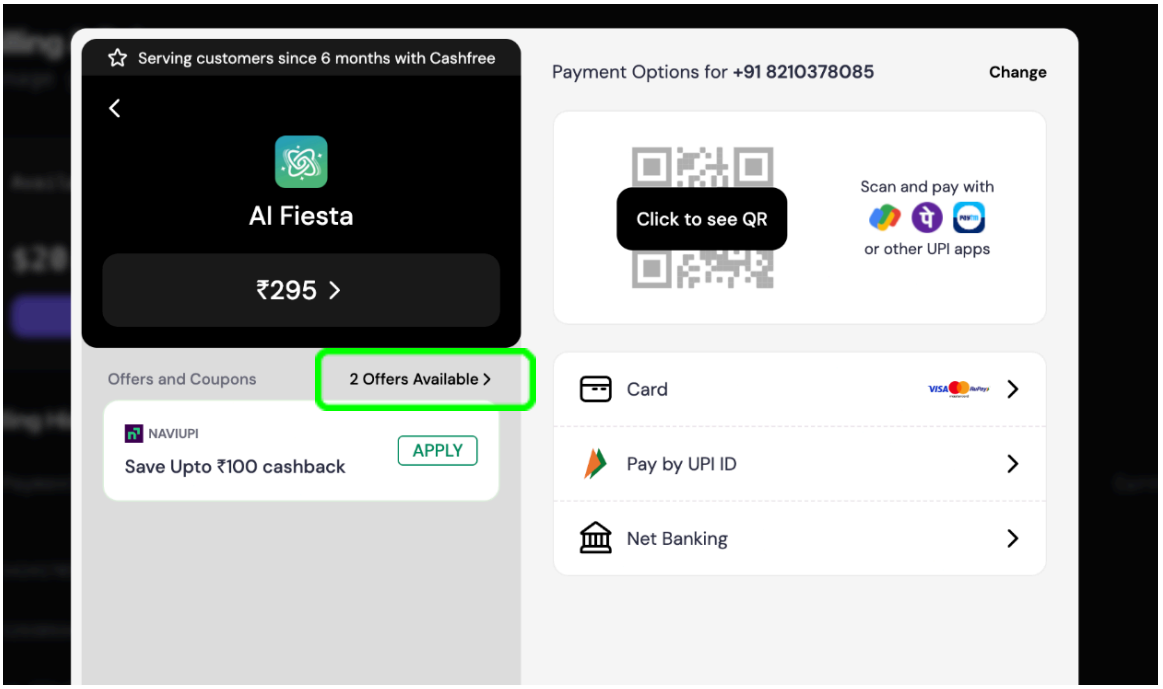


6. Enter ₹250 as the top-up amount

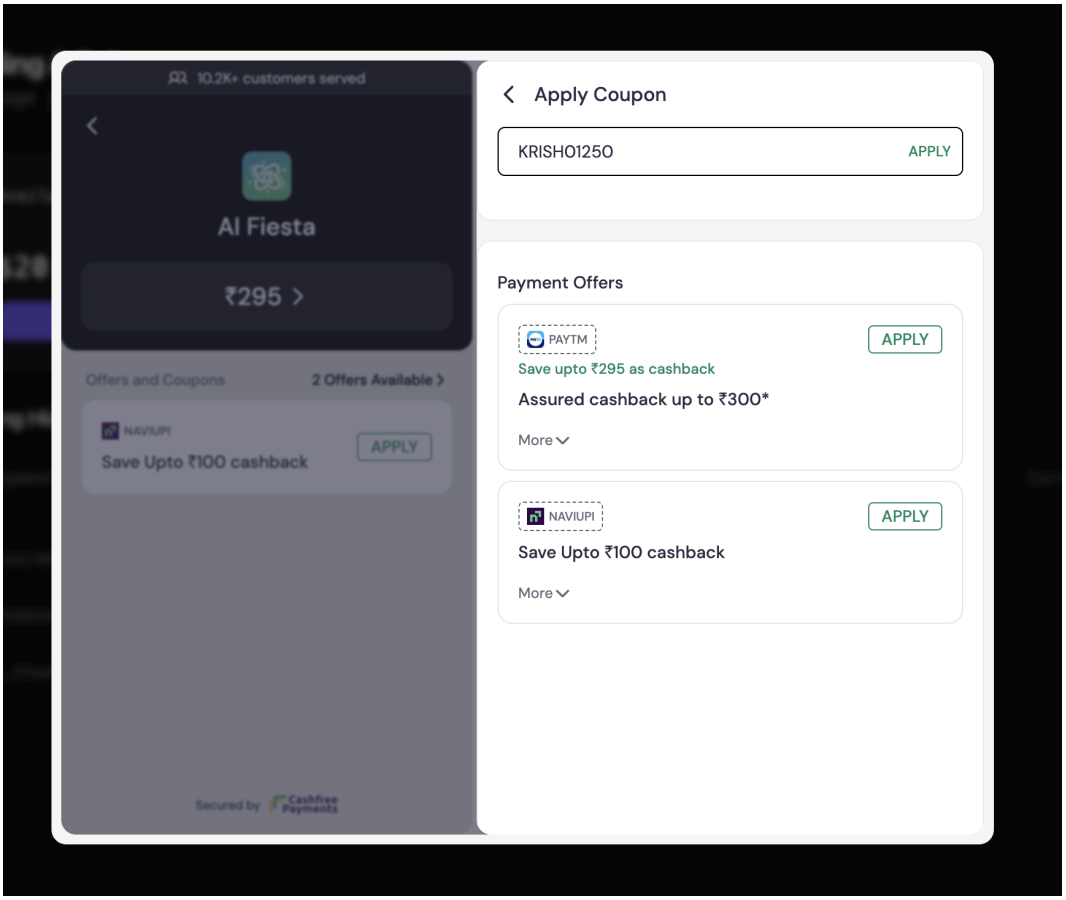
- Leave the coupon field empty at this stage.
- Click Pay ₹295 to proceed - don't worry, we'll apply the coupon on the next screen.



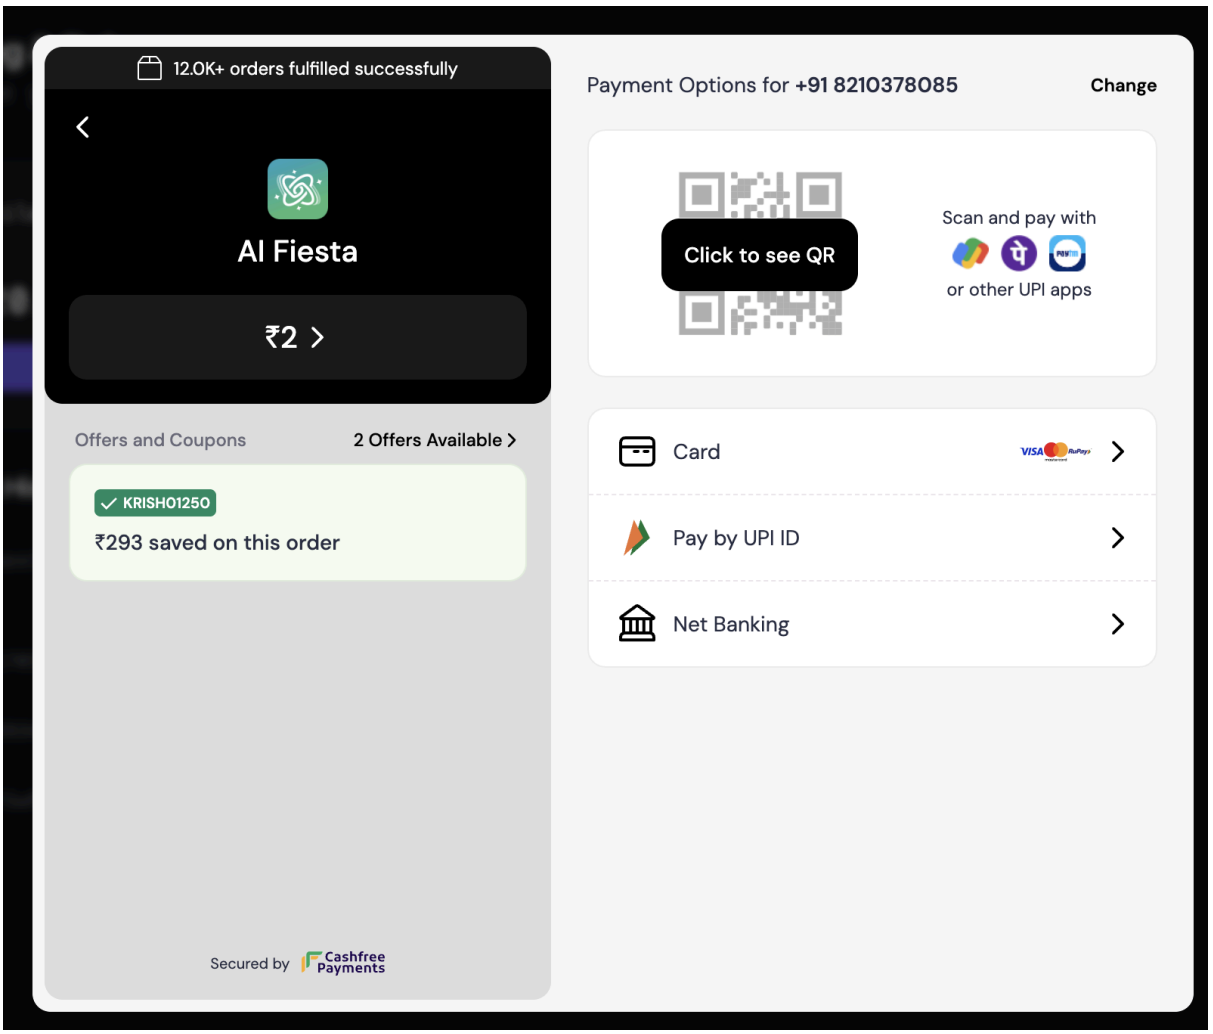
7. On the payment page, click Offers and Coupons.



8. In the Apply Coupon field, enter **KRISH01250** and click Apply.



9. The payable amount will drop to ₹2 after the coupon is applied - complete the payment to activate your credits.



Once the payment is confirmed, you'll be redirected back to Mesh API with your balance topped up and ready to use.
